

Tivoli (NY) Art Co-op's Erotic Art Show reviewed by Dee Jae

My spouse and I attended the Tivoli Art Co-op's Erotic Art Show on Sat. February 7, 2009 in the evening. The art ranged from sculpture to videos, oils to photos and DVD productions. This is and always has been a TG friendly event. By show time at 8PM the place was packed. The food, desserts and wine were fine and entertainment included a poetry reading, modern dance piece, a belly dancer and a fashion show.
